Lotus Redefines Opulence in the NT

A new level of luxury will be unveiled in Darwin this week as SKYCITY Darwin serves the first round of champagne and elegant cocktails at its tantalising new Lotus bar.

Set to become Darwin's finest twilight experience, the exclusive VIP bar offers intimacy and opulence in a cocktail theatre atmosphere.

SKYCITY Darwin General Manager, Brad Morgan, said Lotus is the result of a \$3 million revamp of the VIP Level 2 gaming floor.

"SKYCITY provides Darwin's only five star, beachside accommodation. We need to continue to build on that reputation and the expectations that come with it," Mr Morgan said.

"We opened our new \$40 million resort in August last year and now we have created Lotus, a sophisticated VIP bar unrivalled in the Northern Territory.

"We believe Lotus will be an asset to locals looking for a high class meeting place, to business people looking for somewhere stylish to entertain visiting executives and of course, a fantastic experience for our guests."

No expense has been spared to create a late night ambience in the intimate cocktail bar. Lotus' interior has been crafted by internationally recognised designers and incorporates Italian and Danish designed drapes, panelling and furniture.

Lotus will be SKYCITY Darwin's seventh bar and will join Terrace Bar, Lagoon Bar, Sandbar, Aqua Bar, KBar, Cockatoo Bar as Darwin's signature establishments.
