7. Tickets can be placed in the designated *Super Sundays* promotional barrel at any time as per item 6, except when a draw is taking place.
8. For the avoidance of doubt, the promotional draw barrel will be emptied of all entry tickets after all prize draws have been competed on a Draw Day.
9. Each prize draw will proceed in the following manner:
 - i. The *Super Sundays* entry barrel will be spun, then one (1) entry ticket will be randomly drawn by a licensed SKYCITY employee from all eligible entries placed in the barrel as at the time of that Prize Draw.
 - ii. The member number will be called three (3) times over the public address system throughout the Main Gaming Floor and VIP rooms, and the member will have three (3) minutes to present themselves to the host. The three-minute period will begin after the member number has been called the third time.
 - iii. Any person, who is called at the nominated time of any draw, must be present at SKYCITY Darwin and must proceed to the draw area and present their Premier Rewards membership card to the Host/MC.
 - iv. If a member number is drawn and the person fails to present them self to the MC within the specified time, the MC of the draw will select another entry ticket from the barrel. This process will continue until a winner has been found.
 - v. When both the winning ticket and the persons' identification have been validated, the member shall be invited to select one of the items displayed. The MC will then reveal the prize the member has won.
